

LEICESTER PREPARATORY SCHOOL

Stoneygate College

After Leicester Preparatory School at Stoneygate College

LPS at Stoneygate College is unique amongst the Leicester schools in not being tied to one particular senior school. We pride ourselves in preparing our pupils well for 11+ entrance exams and helping parents make the right choice for their children at this important stage.

Each year, an impressive proportion of our leavers win scholarships to our leading senior schools. Whichever school our pupils go onto, they leave us with a love of learning, a passion for life and confidence and skills to embrace each new challenge.

Pupils go on to various schools including;

Loughborough Grammar School
Loughborough High School
Leicester High School
Leicester Grammar School
Ratcliffe College
Dixie Grammar School

"Girls coming to us from Stoneygate College are always incredibly well educated. They integrate so very well and are perfect High School girls. Stoneygate College is very much a centre of excellence for children at this age. The foundation that these girls receive both academically and socially make for well rounded, outgoing and very mature young ladies".

Julia Burns - Headmistress, Leicester High School for Girls.

"This year we were delighted to offer places to 12 boys - 2 scholarships - and this reflected strong performances in the entrance exam and a very positive report from the Headmaster at Stoneygate College. The Maths results, in particular, were strong and encouraged us to believe that the boys would prosper at Loughborough Grammar School."

PB Fisher - Headmaster, Loughborough Grammar School
