## **Earrings Policy**

Children are permitted to wear plain studded earrings only to school.

Earrings must be removed for PE and swimming. If a child arrives at school wearing earrings on the day of PE or swimming he/she must be able to remove them without help as staff are not permitted to take the earrings out nor cover them with plasters.

During the initial 6 weeks after ears are pierced when the earrings cannot be removed, children will be excluded from PE and swimming. Parents should be encouraged to wait until the 6 week summer vacation before getting their child's ears pierced.

The School will not take responsibility for long earrings and so will strongly recommend to parents to not send their child to school wearing earrings of any value.
